The Cancellation and No Show Policy applies to all reservations made by Members, casual visitors and guests for Sydney Pole services unless otherwise stated.

Unless otherwise stated by Sydney Pole, all Sydney Pole services have an eight hour cancellation policy. All cancellations must be at least eight hours before the scheduled start time ("Cut Off Window") of the reservation, irrespective of the time the booking was submitted. It is your responsibility to ensure any cancellation you action on your Sydney Pole Account has successfully been applied.

The Cut Off Window is subject to change and with immediate effect in the event we reduce the Cut Off Window from eight hours. In the event the Cut Off Window is increased from eight hours, notice will be provided on the Website at least seven calendar days prior to taking effect.

A Late Cancel will result in the Reservation Credit remaining deducted from your Sydney Pole Account. No expiry date exceptions will be given.

In the event you are a No Show to an unpaid reservation, your Sydney Pole Account will have an outstanding balance that will incur a Casual Class Session charge.

5.4 WAITLIST RESERVATION POLICY

MindBodyOnline functionality provides an automatic system to make a reservation on a waitlist queue. In the event of a fully reserved Scheduled Block having available capacity prior to the Cut Off Window, it will automatically send you an SMS notification and register your attendance ("Waitlist Feature"). Reservations made on waitlist queues are subject to our Waitlist Reservation Policy, Cancellation and No Show Policy and may incur additional fees.

5.4.1 Important terms to know

The following definitions are applied to Section 5.4:

Waitlist Credit means you made a reservation that enrolls you on a waitlist queue of a fully reserved Scheduled Block.

Waitlist Attendee means the Waitlist Feature has automatically moved you from the waitlist queue and registered you into the Scheduled Block, but the Waitlist Feature has not received a response from you to the confirmation SMS. Your registration may deactivate in the event of a Waitlist Priority occurring and place you back in the waitlist queue.

Waitlist Priority will occur in the event where the total available capacity in a Scheduled Block is less than the total number of Waitlist Attendees and Waitlist Credit reservations. The Waitlist Feature will prioritise reservations based on: (1) a "Y" response to the confirmation SMS, or (2) at the time the available capacity and the reservation for the Scheduled Block occurs, an Active Reservation Credit is applied.

Session Attendee means you have replied "Y" to the receiving a waitlist confirmation SMS and the opening successfully was registered to you before another Waitlist Attendee or Casual Session payment.

5.4.2 Eligibility

To enable this feature, at the time of enrolling into the waitlist queue you must have:

- (a) one or more Active Reservation Credits on your Sydney Pole Account; or
- (b) purchase a Casual Session at the time of making the reservation.

It is your responsibility to:

- (a) ensure you have opted in correctly to receive SMS notifications from MindBodyOnline;
- (b) Respond as soon as possible to the SMS notification with "Y" or "N";
- (c) monitor your waitlist notification queue position regularly; and
- (d) Cancel the reservation if you can no longer attend.

5.4.3 Feature Limitations

Usage of the Waitlist Feature will constitute that you acknowledge and understand that it:

- (a) suspends automatic notifications when the Cut Off Window is reached based on the localised time acquired by MindBodyOnline;
- (b) Will automatically deliver notifications via SMS and be deemed received;
- (c) By reserving a Waitlist Credit, you have agreed to any additional fees that may result as outlined in Section 5 of this Agreement;
- (d) A Waitlist Credit does not guarantee a priority order for registration in the Scheduled Block;
- (e) The waitlist queue number available on your Sydney Pole Account is only to inform you the current order for the subsequent SMS notification from MindBodyOnline; and
- (f) At the time a Waitlist Credit is applied, your Sydney Pole Account will not deduct an Active Reservation Credit until (1) you are a Session Attendee or (2) the Scheduled Block's start time. It is your responsibility to ensure a valid Active Reservation Credit is present on your Sydney Pole Account until you are Session Attendee, the reservation is cancelled or the Scheduled Block has commenced.

5.4.4 Your payment obligations incurred on waitlists

- (a) Sydney Pole reserves the right to cancel any Waitlist Credit if your Sydney Pole Account has an outstanding balance or unpaid reservation;
- (b) at the time you are changed from Waitlist Credit to Waitlist Attendee, an Active Reservation Credit must be available to be deducted from your Sydney Pole Account unless you reply "N" to the SMS notification before the Cut Off Window;
- (c) If no Active Reservation Credit is available at the time you become a Waitlist Attendee, it will be deemed as unpaid; and
- (d) You will be charged by us at the Casual Class Session Rate for the unpaid reservation at any time after the scheduled end time of the reservation.

The Waitlist Reservation Policy is subject to be discontinued or changed with immediate effect without notice at the reasonable discretion of Sydney Pole.

If we terminate this Agreement for any of these reasons, we reserve the right (without limiting any other right or remedy) to recover any other reasonable costs and expenses we incur as a result of your breach.
